Healthcare Advocate

- Have you ever been diagnosed with a disease but do not understand your treatment options or where to turn for advice?
- Do you leave your doctor's office feeling frustrated because you did not understand the medical terminology or the plan?
- Do you have an elderly relative who might need oversight of their care coordination?
- Are you overwhelmed by your healthcare needs and could use someone to help manage your care?
- Do you or someone you know need help navigating the healthcare system maze?
- If you answered **YES** to any of the above questions,
